## Tee for Two

### Patient and Caregiver Program

Being diagnosed with cancer doesn't just take health away, it compromises a patient's lifestyle and it changes family dynamics. While there is illness, there are still worries, and a longing for relief from them. You can help make it possible for a patient and their caregiver to put aside their worries, if only for a few hours, and help them remember the enjoyment of just being together.

The LC Patient and Caregiver Program was created to do just that. Through this program, you can generously purchase additional tickets to the Par for the Cure Golf Tournament to give a patient and a family member the break they need to relax, to have fun together, and to escape the stress of living with lymphoma.

You can make a difference in their everyday.

### Give them a day on the greens.

Ways to participate:

- Sponsor
  - As part of the event sponsorship package we will provide you with complimentary tickets in appreciation of your generosity. You can donate some or all of the tickets back to Lymphoma Canada, to give away to a patient and their caregiver.
- Benefactor
  - Purchase additional tickets to enable a patient and their caregiver to attend the event.

To participate in Lymphoma Canada's Tee for Two, contact Vaughan Reid by phone 905.822.5135 x 6 or email [vaughan@lymphoma.ca](mailto:vaughan@lymphoma.ca).
