To the Directors of
Lymphoma Canada

Qualified opinion

We have audited the financial statements of Lymphoma Canada, which comprise the statement of financial position as at December 31, 2021, and the statements of revenue and expenses and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for qualified opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for qualified opinion

In common with many not-for-profit organizations, the Organization derives revenue from contributions and fundraising from the public the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Organization. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the years ended December 31, 2021 and 2020, current assets as at December 31, 2021 and 2020, and net assets as at January 1 and December 31 for both the 2021 and 2020 years. Our audit opinion on the financial statements for the year ended December 31, 2020 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the

Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Lymphoma Canada

Notes to the Financial Statements

December 31, 2021

1. Nature of operations

Lymphoma Canada (the "Organization") was incorporated without share capital on February 6, 1998, by Letters Patent under the Canadian Corporations Act and continued under the Canada Not-for-profit Corporations Act on October 17, 2013. The Organization is a registered charity under the Income Tax Act. The Organization's mission is to empower patients and the lymphoma community through education, support, advocacy, and research.

2. Significant accounting policies

The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies used are as follows:

Revenue recognition

The Organization follows the deferral method of accounting for contributions and grants. Unrestricted contributions and grants are recognized when received or receivable and collectability is reasonably assured. Revenue from fundraising, wage and rent subsidies are recognized when received or receivable and collectability is reasonably assured. Interest income is recognized as earned. Designated contributions and grants are recognized as revenue in the year in which the related expenses are incurred.

Inventory

Inventory is measured at the lower of cost and net realizable value.

Capital assets and intangible assets

Capital assets are recorded at cost and are being amortized over the estimated useful life. The annual amortization rates and methods are as follows:

Furniture and fixtures	5 years Straight-line
Leasehold improvements	5 years Straight-line
Computer equipment	45% Declining balance

Intangible assets are recorded at cost and are being amortized over the estimated useful life. The annual amortization rate and method is as follows:

Website software and applications	3 years Straight-line
-----------------------------------	-----------------------

Impairment of long-lived assets

The Organization tests long-lived assets for impairment whenever events or changes in circumstances indicate that its carrying amount may not be recoverable. An impairment loss is recognized when the carrying amount of the asset exceeds the sum of the undiscounted cash flows resulting from its use and eventual disposition. The impairment loss is measured as the amount by which the carrying amount of the long-lived asset exceeds its fair value.

Lymphoma Canada

Notes to the Financial Statements

December 31, 2021

2. Significant accounting policies (continued)

Lease benefit

During 2021, the Organization entered into a new lease agreement. The lease benefit includes a rent free period near the beginning of the lease. The lease benefit has been deferred and will be amortized and recognized as a reduction of rent expense over the term of the lease. The Organization recognizes the related rental expense on a straight-line basis over the life of the lease and records the difference between amounts charged to operations and amounts paid as deferred lease benefit.

Donated gifts and services

Donated services are not recognized in these financial statements due to the difficulty in determining their fair value. Donated gifts were received during the year but are not recognized in the financial statements.

Included in contributions on the statement of revenue and expenses and changes in net assets is \$7,458 (2020 - \$1,761) in donated shares.

Financial instruments

The Organization considers any contract creating a financial asset, liability or equity instrument as a financial instrument, except in limited circumstances. The Organization's financial instruments consists of cash, short-term investments, amounts receivable, sales tax recoverable and accounts payable.

Financial assets or liabilities obtained in arm's length transactions are initially measured at their fair value.

The Organization subsequently measures all of its financial assets and financial liabilities at amortized cost. For financial assets measured at cost or amortized cost, the Organization regularly assesses whether there are any indications of impairment. Any impairment loss is recognized in the statement of revenue and expenses.

Allocation of expenses

Certain employees perform a combination of program, fundraising and administrative roles and as a result, salaries are allocated according to time spent on the activity. Other costs including rent, IT support, amortization and telephone are allocated based on the level of activity between program, fundraising and administrative costs.

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Significant items subject to estimates and assumptions include the allowance for doubtful accounts receivable, amortization of capital assets and the allocation of expenses. Actual results could differ from those estimates.

Lymphoma Canada

Notes to the Financial Statements

December 31, 2021

3. Short-term investments

Short-term investments consist of Guaranteed Investment Certificates bearing interest at 0.25% to 1.00%, maturing February to December 2022 (2020 - bearing interest at 0.65% to 1.35%, maturing May to December 2021).

4. Capital assets and intangible assets

			<u>2021</u>	<u>2020</u>
	<u>Cost</u>	<u>Accumulated Amortization</u>	<u>Net Book Value</u>	<u>Net Book Value</u>
Furniture and fixtures	\$ 18,093	\$ 18,093	\$ -	\$ -
Leasehold improvements	9,887	9,887	-	-
Computer equipment	<u>15,188</u>	<u>14,906</u>	<u>282</u>	<u>513</u>
	43,168	42,886	282	513
Website software and applications	<u>145,210</u>	<u>133,640</u>	<u>11,570</u>	<u>19,283</u>
	<u>\$ 188,378</u>	<u>\$ 176,526</u>	<u>\$ 11,852</u>	<u>\$ 19,796</u>

5. Deferred revenue

Deferred revenue includes designated contributions to be recognized as revenue in the accounts when disbursed.

	<u>2021</u>	<u>2020</u>
Deferred revenue, beginning of year	\$ 97,925	\$ 142,805
Amounts received during the year	242,127	99,720
Amounts recognized as revenue during the year	<u>(172,000)</u>	<u>(144,600)</u>
	<u>\$ 168,052</u>	<u>\$ 97,925</u>

Lymphoma Canada

Notes to the Financial Statements

December 31, 2021

6. Allocation of expenses

The following are direct and allocated expenses which are included in the statement of revenue and expenses:

	<u>Direct expenses</u>	<u>Allocated expenses</u>	<u>2021 Total</u>	<u>2020 Total</u>
HCP & patient education	\$ 42,101	\$ 162,836	\$ 204,937	\$ 230,855
Patient support	4,868	117,587	122,455	157,158
Advocacy	44,065	28,338	72,403	23,166
Research	50,184	17,916	68,100	28,563
Fundraising	68,322	105,805	174,127	174,145
Operations	45,531	94,862	140,393	162,632
	<u>\$ 255,071</u>	<u>\$ 527,344</u>	<u>\$ 782,415</u>	<u>\$ 776,519</u>

7. Research awards

The following research awards were paid during the year:

	<u>2021</u>	<u>2020</u>
Simon Fraser University	\$ 25,000	\$ -
The University of Manitoba	25,000	-
University Health Network	-	19,600
	<u>\$ 50,000</u>	<u>\$ 19,600</u>

8. Financial instruments

Transactions in financial instruments may result in an entity assuming or transferring to another party one or more of the financial risks described below. The required disclosures provide information that assists users of financial statements in assessing the extent of risk related to financial instruments. The risks that arise from financial instruments include credit, liquidity, and interest rate risk. There have been no changes in the financial risks from the prior year.

Credit risk

Credit risk is the risk that one party to a transaction will fail to discharge an obligation and cause the other party to incur a financial loss. This risk is mitigated by the Organization ensuring revenue is derived from qualified sources. There is no allowance for doubtful accounts in relation to the Organization's amounts receivable balances reflected in these financial statements.

Lymphoma Canada

Notes to the Financial Statements

December 31, 2021

8. Financial instruments (continued)

Liquidity risk

Liquidity risk is the risk that the Organization cannot repay its obligations when they become due to its creditors. The Organization reduces its exposure to liquidity risk by ensuring that it documents when authorized payments become due. Included in accounts payable and accrued liabilities are government remittances owing in the amount of \$Nil (2020 – \$Nil).

Interest rate risk

Interest rate risk is the risk that the fair value or future value of a financial instrument will fluctuate because of changes in market interest rates. The Organization is subject to interest rate risk on their fixed income investments.

9. Lease commitment

The Organization has a rental agreement for its office premises with a term that expires on May 31, 2026.

Future minimum lease payments are approximately as follows:

2022	\$	58,300
2023		59,000
2024		59,400
2025		60,000
2026		<u>25,000</u>
	\$	<u>261,700</u>

10. Contingent liability

From time to time, in the ordinary course of business, the Organization is a defendant in a legal action or proceeding. It is not possible to determine the ultimate outcome of such matters; however, based on all currently available information, management believes that liabilities, if any, will not have a material adverse effect on the financial position or results.

Lymphoma Canada

Notes to the Financial Statements

December 31, 2021

11. Impact of COVID-19

The outbreak of a novel strain of coronavirus (“COVID-19”) was declared a global pandemic by the World Health Organization in March 2020. COVID-19 has severely impacted many economies around the globe. In many countries, including Canada, businesses were forced to cease or limit operations for long periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Global stock markets have also experienced great volatility and a significant weakening. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions.

The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Organization for future periods. The Organization will continue to closely monitor and assess the impacts, if any, of the COVID-19 pandemic on operations for the foreseeable future.
